

NATIONAL RESEARCH UNIVERSITY
HIGHER SCHOOL OF ECONOMICS

School of Foreign Languages

**THE YOUTH IN SCIENCE:
CHALLENGES AND PROSPECTS**

IVth Student Conference

Moscow Campus

April 2, 2024

PROGRAMME

The Opening Ceremony

16:00 - 16:30

Moderator:

Yulia M. Chanturidze, Associate Professor, School of Foreign Languages

Keynote speakers:

- **Nadezhda V. Vradiy**, Senior Lecturer, Deputy Head of the School: School of Foreign Languages
- **Natalia Y. Georgieva**, Senior Lecturer: HSE Campus in Perm / Faculty of Computer Science, Economics, and Social Sciences / School of Foreign Languages
- **Aleksei Y. Kondratev**, Associate Professor: HSE Campus in St. Petersburg / St.Petersburg School of Economics and Management / Department of Economics

Join the Opening Ceremony:

Session 2

ECONOMICS 2

16:30 – 18:30

Moderators:

• **Alexey Y. Kondratiev**, *St. Petersburg School of Economics and Management, Associate Professor*

• **Valentina E. Khrabrova**, *St. Petersburg School of Arts and Humanities, Senior Lecturer*

Host: **Alexey Osipov**, *Faculty of Economic Sciences, Student*

1. **Darya Kuganova, Anna Antipova**, Faculty of Economics, (Saint-Petersburg), with the report: Personal characteristics and entrepreneurship.
2. **Kirill Moiseev**, School of Economics (Nizhny Novgorod), with the report: Modeling the transition from Pay-as-you-go to a Fully funded pension system in Russia.
3. **Karina Nikitina, Ekaterina Stolyarova**, Faculty of Economics (Saint-Petersburg), with the report: Personality traits as a partial explanation for the gender gap in Russia.
4. **Dmitry Yuzhakov**, Faculty of Economics (Moscow), with the report: The Effect of Antitrust Authority Actions on M&A Deals.

Join Session 2:

<https://yandex.zoom.us/j/98210347054>

Session 3 COMPUTER SCIENCE 1

Moderators:

- *Alisa V. Melikyan, Faculty of Computer Science, Associate Professor*
- *Larisa S. Stupakova, School of Foreign Languages, Tutor*

Host: *Alina Dzhanbekova, Faculty of Economic Sciences, Student*

1. **Karolina Vorobeva**, Faculty of Computer Science Software Engineering (Moscow), with the report: The Development of Interval Analysis Library.
2. **Sanan Korniyakov**, Faculty of Applied Mathematics and Information Science (Moscow), with the report: Guide to Implementing Cryptography on Elliptic Curves.
3. **Nikita Korostelev**, Faculty of Computer Science (Moscow), with the report: Application of programming in the space industry.
4. **Artem Mitin**, Faculty of Applied Mathematics and Information Science (Moscow), with the report: Enhancing Bank Revenue through Strategic ATM Placement: A Spatial Analysis.
5. **Timur Timergalin**, Faculty of Computer Science (Moscow), with the report: Study and experimental implementation of McMillan's unfolding algorithm.
6. **Vsevolod Iurkov**, Faculty of Economics and Data Science (Moscow), with the report: Changing investment methods with the development of data analysis.

Join Session 3:

Session 4

MATHEMATICS AND COMPUTER SCIENCE

Moderators:

- **Semyon A. Presnyakov**, MIEM, Lecturer
- **Valentina Y. Byvalina**, School of Foreign Languages, Tutor

Host: **Andrey Frolov**, Faculty of Computer Science, Student

1. **Maria Shkumatova**, Faculty of Computer Science (Nizhny Novgorod), with the report: Exploring parallels and divergence: a comparative analysis of neural networks and the human brain.
2. **Daniil Zassimuk**, School of Economics Faculty of Computer Science Applied Mathematics and Computer Science (Moscow), with the report: Leveraging AI for Agriculture and Predicting Arid and Marshy Areas
3. **Nikita Shumov**, Faculty of Applied Mathematics (Moscow), with the report: Application of Semi-Markov Processes for Modelling the Queuing System $G|G|n$.
4. **Petr Kamnev**, Faculty of Software Engineering (Moscow), with the report: Password Compromise Check Protocols Analysis and Comparison.
5. **Sergei Bogdanov**, Faculty of Applied Mathematics and Information Science (Moscow), with the report: Non-singular Likelihood Estimation (NO LIE) - Detecting Plagiarism in Multidimensional Space.
6. **Ilya Polyakov**, Faculty of Information security of cyberphysical systems (Moscow), with the report: Identifying Subnetworks of Child Pornography Spreaders within the BitTorrent Network.
